

# Scroungers

## is coming to Mapleton Bowls Club

Scroungers is a game that emphasises draw bowling skills. It will be played with two to four players per rink. There are no teams as the game is played and scored as individual players. A great way to improve your bowling while enjoying playing an engaging and social game.

**The first game will be Thursday 29<sup>th</sup> September 2022** then each Thursday (Except 6<sup>th</sup> October due to Twin Waters visit) with the last scheduled game 10<sup>th</sup> November – at which time a decision will be made whether to continue till the club recess.

Games will be **2.00pm for a 2.30 start and 18 ends – cost \$12**. There will be prizes for the winners on each rink as well as some novelty treats. Players must have their names on the games sheet at the club by 2.00pm on games day (or ring Jim King -0419 791 793- before 2.00pm) to facilitate the draw.

A copy of the rules is attached. A handicap system will be introduced after several weeks of play to add 'incentive' and keep games competitive.

**Come along and give it a try. Club uniforms are not required but footwear must be suitable for bowling – it is not barefoot.**
